

RESOLUTION

ADOPTING A REVISION TO THE PUBLIC INFRASTRUCTURE MAP FOR THE EWA DEVELOPMENT PLAN AREA, KAPOLEI, OAHU, HAWAII.

WHEREAS, the Public Infrastructure Map for the Ewa Development Plan area was adopted by Resolution 97-325, CD1, and amended by Resolution 00-37; and

WHEREAS, widening and other improvements to Farrington Highway in east Kapolei have been proposed, as shown in Exhibit A, on an approximately one mile section of the highway that runs from the intersection of Kualakai Parkway and Farrington Highway west to the road commonly referred to as Kapolei Golf Course Road; and

WHEREAS, the improvements to this section of Farrington Highway are necessary in anticipation of significant new development in the region within the next 20 years, including the construction of up to 60,000 new homes, the development of the University of Hawaii West Oahu campus, and increased light industrial and mixed-use commercial projects on the Ewa plain; and

WHEREAS, Chapter 4, Article 8, Revised Ordinances of Honolulu, 1990, as amended, requires a major public facility, including an arterial roadway, to be shown on the appropriate public infrastructure map for a development plan area before the City Council may appropriate land acquisition or construction funds for the facility; and

WHEREAS, the Council finds that the placement of a roadway symbol on the Ewa Development Plan area PIM is necessary to fund the land acquisition and construction of improvements to this section of Farrington Highway; and

WHEREAS, the Council further finds that the project is consistent with the General Plan, the Ewa Development Plan, and the appropriate functional plans; now, therefore,

BE IT RESOLVED by the Council of the City and County of Honolulu that the Public Infrastructure Map for the Ewa Development Plan area be revised to add a roadway symbol ("R") as shown in Exhibit A; and

BE IT FURTHER RESOLVED by the Council that the roadway symbol shall be deleted from the Public Infrastructure Map by administrative procedure once completion of the project has been certified in writing by the applicant/agency to the Department of Planning and Permitting and the Council; and
